

Can you help the short eared owl find it's prey?

# Northern Ireland Raptor Study Group

## Foundation Stage ACTIVITY BOOKLET

**What is a bird of prey?**

Birds of prey are meat eaters and hunt other animals for food.

**How are they different from other birds?**

1. They all have very sharp, hooked beaks.
2. They all have very powerful feet with sharp claws called talons

**Parts of a bird of prey**

Fill in the missing letter

**t b f w t**

I am a merlin. I am the smallest bird of prey in Northern Ireland.

\_\_eak

\_\_eathers

\_\_alons

\_\_ail

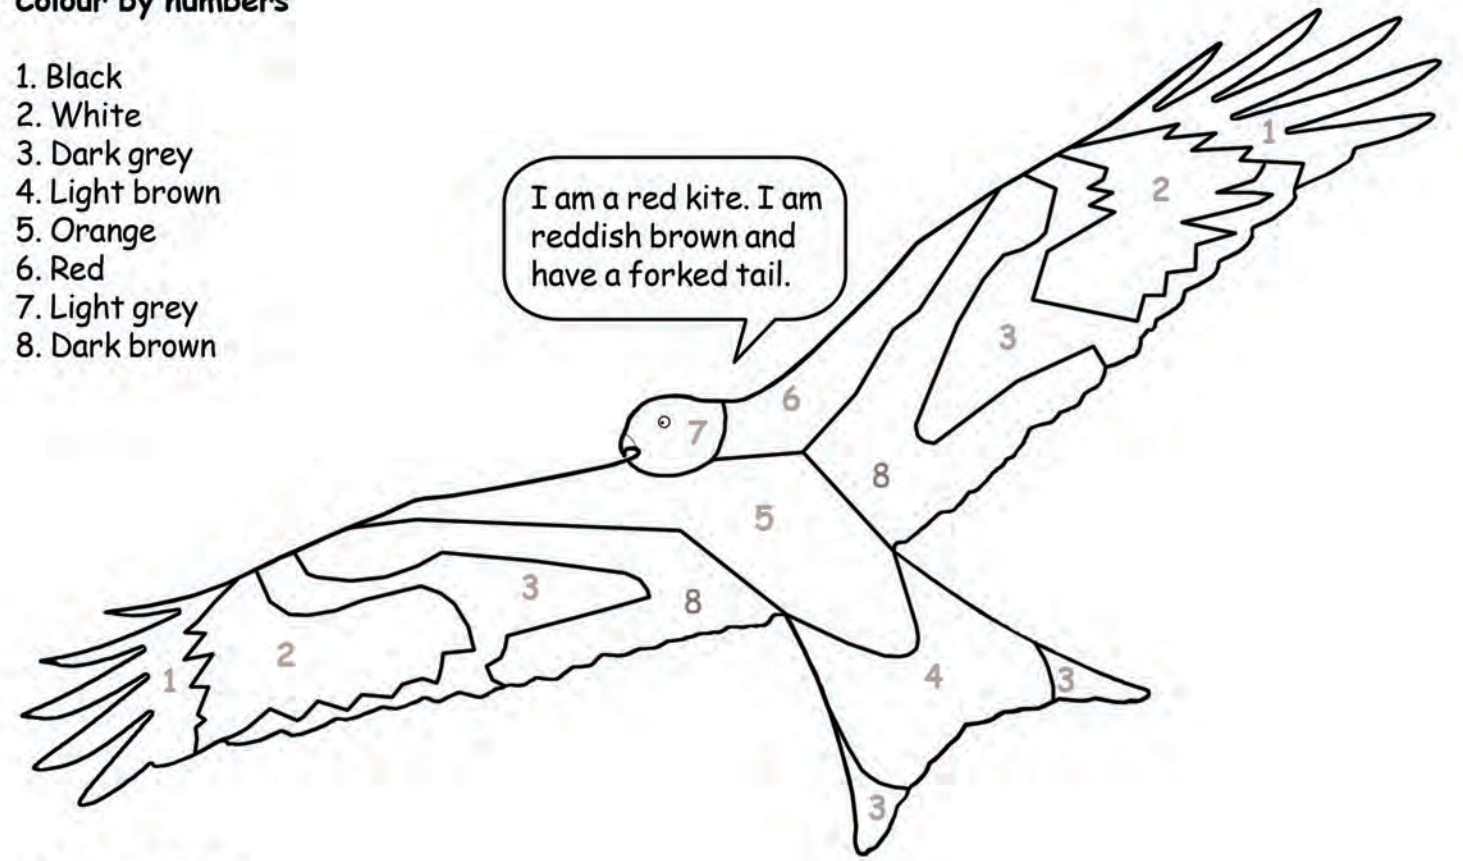

\_\_ings

**Colour by numbers**

1. Black
2. White
3. Dark grey
4. Light brown
5. Orange
6. Red
7. Light grey
8. Dark brown

I am a red kite. I am reddish brown and have a forked tail.

**Odd one out.**

Can you spot which two birds are not birds of prey?
